

Expedited Parcel™ – USA

The timely, reliable and economical USA-bound delivery service you can count on

Looking for a cross-border shipping solution that offers great value and exceptional features? Then the Expedited Parcel – USA service from Canada Post is for you.

Timely. Reliable. Feature-rich.

The Expedited Parcel – USA service is a reliable, traceable parcel solution that's ideal for non-urgent items crossing the border from Canada to the USA. Tracking, delivery confirmation and up to \$100 of coverage are included at no additional cost.

Enjoy excellent home delivery service through our partnership with USPS

Service features include Post Office (PO) Box delivery and no add-on charges for rural or residential deliveries.

Check into potential volume and automation discounts

The Expedited Parcel – USA volume can be combined with other parcel services toward your volume discount*. Use our Electronic Shipping Tools (EST) and you may be eligible for further discounts.

Tap into Canada's leading distribution network

Canada Post is the country's largest document- and parcel-distribution company. With our highly-integrated global network we can offer you the reach and reliability you need—wherever you're sending.

View major delivery milestones with enhanced tracking

If parcel visibility is important to you, the Expedited Parcel – USA service delivers. Scans are captured at multiple key milestones, including when the item is shipped, leaves Canada, arrives in the USA and is delivered.

Reduce customer service costs

You can confirm delivery at no extra charge at canadapost.ca or by calling 1-888-550-6333. You and your customers can also choose to receive email updates on the status of your items through our Email Notification feature—resulting in fewer calls to your customer service department.

The Expedited Parcel – USA service keeps costs under control, without sacrificing service and reliability.

Expedited Parcel™ – USA
